

## A Day at the Beach- Read and Draw

|                                    |                                  |
|------------------------------------|----------------------------------|
|                                    |                                  |
| A hot, yellow beach.               | A blue bucket and a green spade. |
|                                    |                                  |
| 3 seagulls swooping in the sky.    | A big sandcastle with 3 towers.  |
|                                    |                                  |
| Blue waves splashing in the ocean. | A pointy pink starfish.          |
