WALT: I can draw conclusions on my fair investigation.

My Conclusion

Draw and write what happened to the different cress.

<p>The plant has had water and sunlight.</p> <p>_____</p> <p>_____ (____mm)</p>	<p>The plant has had water but no sunlight.</p> <p>_____</p> <p>_____ (____mm)</p>

What do plants need to grow?

Which plant grew the best?

Why do you think this?

Which plant did not grow the best?

Why do you think this is??

How did we make it a fair investigation?
